Directions to the park: Capitol View Park is located next to the Kentucky River, just off Ky. 676. From Louisville, take I-64 to the first Frankfort exit, go north about a mile, and turn right on 676. After 1.5 miles, cross the river and then take the first left into the park. From Lexington, take 421 into Frankfort; 421 becomes 676. After the intersection with Martin Luther King Blvd., go another mile or so and then turn right into the park. If you cross the river you have gone too far.
